REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: JP 57-105442 A and JP 58-023838 A are listed as X references in the international search report. However neither one of these references teaches or suggests the required vinyl versatate or vinyl benzoate units in the ratios required for the fluorine-containing polymer (A). In addition, the examiner has crossed out the JP 58-023838 A reference on the information disclosure statement because there were no copies present in the application file. The examiner has cited the reference and English abstract on the attached PTO-892 form.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey B. Robertson whose telephone number is (571) 272-1092. The examiner can normally be reached on Mon-Fri 7:00-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy P Gulakowski can be reached on (571) 272-1302. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
